Discipline & Behavior Policy

In order to maintain an environment that is safe and permit all children to learn, grow and enjoy their experience, St Michaels Community Center has the following policy regarding disruptive, inappropriate or dangerous behavior in students participating in our programs. Students will receive two warnings concerning unsafe or disruptive behavior. The third occurrence will require that the student be removed from the class and given a time out in the director's office. The director will discuss with the student necessary behavioral changes and ways to implement them.

1. If the above procedure does not result in improved behavior, the parent/guardian will be contacted.
2. If there is still no improvement, the student will be required to withdraw from the program. No tuition refunds will be given.

PARENTAL AUTHORIZATION
